APPLICATIONS

The System Magneto range redefines the track lighting concept, offering quick installation and endless lighting configurations. The Magnetic mounting allows fast and easy change over of all LED luminaires, perfect for commercial displays when demand for changes are more frequent.

DESCRIPTION

The track is available in 1, 2 or 3 metre lengths and can be recessed, surface mounted or suspended.

Multiple LED luminaires can fit directly into the magnetic track without tools. The inclusion of a buckle also offers more stable mounting in addition to the magnets.

FEATURES

- 1, 2 or 3 metre lengths
- 200W max power
- Magnetic track
- Surface, recessed or suspended
- Alternate fittings without tools
- No UV or IR emissions

NOTE

It is important that you check the compatibility of the dimmable units with the lighting controls supplier before placing your order.
